- Read, write and communicate in fluent English
- Lift 25 pounds regularly and 50+ pounds occasionally
- Must be able to pass a drug test and background check
- Must have your own tools or be able to buy your own tools
- Capable of welding

Job responsibilities & duties:

- Able to learn installation of wrecker bodies and beds onto chassis
- Knowledge of/ability to learn automotive wiring
- Knowledge of/ability to learn hydraulic installation
- Identify and solve problems
- Must have a positive attitude and "level head"
- Complete necessary repair and preventative maintenance work
- Follow all safety policies and procedures
- Complete required paperwork (minimal), document parts and material usage and account for applied hours
- Perform other job-related duties as assigned

Employee Benefits:

- Paid holidays for full time employees
- 1 week paid vacation after 1 year
- Medical insurance (premium 100% paid)
- Dental, Supplemental and Life insurance available
- Retirement plan available (with employer contributions)
- Weekly payroll with direct deposit
- Uniforms provided
- Many other great benefits
